

The Chief Engineer will review the Team's recommendations along with those from the District Engineer/Administrator and the Division Engineer/Administrators and determine the implementation potential of the Value Engineering proposals.

The Project Manager will verify that accepted VE recommendations have been incorporated into the project by initialing the accepted recommendation on a copy of the Chief Engineer's Response Letter/Project Summary Information Form and forward it to the VE Regional Coordinator.

Any savings should be noted on Form [PM-131](#) (Final Scoping Certification).
