## **INSTRUCTIONS**

This form is to be prepared immediately subsequent to the starting and completion of each phase of work shown hereon.

The statement relative to clearance of encroachments is to be completed on the form reporting final completion

The Area Construction Engineer is to coordinate with Right of Way and Utilities to verify no outstanding condemnations, utility billings or expenditures.

The Area Construction Engineer is to sign and forward the completed form to the District Administrator for review and distribution.

Each successive form is to include all information shown on previous forms and an explanation of the change.

The form bearing notice of final completion is to be signed by the District Administrator.
