

CHAPTER 1: INTRODUCTION

1.1 GENERAL..... 1

1.2 ACKNOWLEDGMENTS 1

1.1 GENERAL

This section is not intended to reproduce the contents of existing manuals such as the MUTCD. The material presented in this section is to assist those who may be unfamiliar with the procedures for developing sign plans. However, references will be made to other documents during the course of discussion in the guide instructions.

1.2 ACKNOWLEDGMENTS

The following references are used throughout the Section:

- Manual on Uniform Traffic Control Devices, USDOT/FHWA, Washington, DC
- Virginia Supplement to the Manual on Uniform Traffic Control Devices, VDOT
- Road and Bridge Specifications, VDOT
- Road and Bridge Standards, VDOT
- Road Design Manual, VDOT
