

### *Sec. 1.10* **Outside Requests for Information**

As time permits, the District or Central Office staff may provide approved roadway or right of way plans for land surveying professionals outside VDOT when requested by phone, mail, or email at their discretion. If the information is on an approved plan sheet(s), it will be satisfactory to sell him a print of the plan sheet. This will apply to horizontal control, vertical control and other survey information. If a person would like to come to the appropriate office and copy the data himself, this would be satisfactory.

National Geodetic Survey (formerly U.S.C.& G.S.) data can be acquired from: The Director, National Geodetic Survey, 1315 East-West Highway, Silver Spring, Maryland 20910, or by visiting the NGS web site and using the searchable database for datasheet retrieval at <http://www.ngs.noaa.gov/>.

Please refer to [Figure 1-C](#) in this chapter for requests from government agencies.
