

**2001 Insertable Sheet List
For Use With The 2001 Imperial Road and Bridge Standards
August 2007**

The following is a complete list of special design **IMPERIAL** insertable sheets that will be used with the 2001 Road and Bridge Standards. These sheets have been loaded on Falcon DMS for VDOT personnel and on the FTP server for the consultant community.

Falcon Location:	<u>Imperial</u>		<u>Metric</u>
PPMS#	eng-ser	PPMS#	eng-ser
Division	insert	Division	minsert

FTP Location: Imperial path download/insertable-sheets/imperial-inserts
Metric path download/insertable-sheets/metric-inserts

The information below shows the file name as it is on the system, the title of the Insertable Sheet, the description of the 8-07 changes, the applicable Standard, and the date the file was revised by Engineering Services. The new/revised sheets and descriptions of the 8-07 changes are in bold. **Note that the new/revised Insertable Sheets will be applicable to projects going to Advertisement in March 2008.**
