**AASHTO APPROVED INTERSTATE BICYCLE ROUTES**

VDOT provides signing along the designated AASHTO approved Interstate Bicycle Routes. Figure A-5-10 shows the corridors for [Interstate Bicycle Routes 1 and 76](#) and the counties the routes pass through. The individual county maps provide detailed location information. County maps are to be checked by the plan designer to determine if their project is on a designated Interstate Bicycle Route. All proposed projects involving major construction or redevelopment along designated Interstate Bicycle Routes are to provide the necessary design features to facilitate bicycle travel in accordance with the parameters established in these guidelines.
