

Curb and/or Curb and Gutter Typical Sections:

For curb and/or curb and gutter streets, the separation from the face of the curb to the edge of the shared use path shall be a minimum of 8 feet in order to provide the minimum lateral offset distance for signs to both the roadway and the shared use path users in accordance with MUTCD Part 2 and Part 9. If signs are required on the outside of the shared use path due to horizontal and vertical grade changes then a minimum of 6.5' of right of way from the edge of the path shall be provided. If signs are not required, a minimum 3' of right of way shall be provided. See FIGURE A(1)-1-4.
