

CADD Manual Revisions

The following is an itemized LIST of applicable revisions and additions. Some minor corrections have been omitted.

Revised August 7, 2018

Appendix F:

Section 1.2

- Replace ACES Business Representative Digital Certificate and associated information with IdenTrust Global Common (IGC) Certificates.

Sections 5 & 6

- These two sections “Using Adobe for sealing and signing” and “Engineering Reports and Documents” were removed from this Appendix.
